

The Hip Functional Status 10-Item Short Form

(©Focus on Therapeutic Outcomes, Inc.)

The following assessment will ask you about difficulties you may have with certain activities. It is an important part of your evaluation. It will help us:

- understand how your condition is affecting your activities, and
- develop treatment goals with you.

Please answer the questions with respect to the problem for which we are seeing you. Respond based on how you have been over the past few days.
